CONDOMINIUM BYLAWS
Section 1. ASSOCIATION OF OWNERS

1.1 Organization. **Waverly Woods** is a residential site condominium project located in Oceola Township, Livingston County, Michigan, being developed in a single phase or two phases, to comprise a maximum of **Forty-Two (42)** building sites. On the recording of the Master Deed, the management, maintenance, operation, and administration of the Project shall be vested in an Association of Owners organized as a nonprofit corporation under the laws of the State of Michigan. The Association will keep current copies of the Master Deed, all amendments to the Master Deed, and other Condominium Documents for the Project available at reasonable hours for inspection by Owners, prospective buyers, mortgagees, and prospective mortgagees of Units in the Project.

1.2 Compliance. All present and future Owners, mortgagees, lessees, or other persons who may use the facilities of the Condominium in any manner shall be subject to and comply with the provisions of the Act, the Master Deed and any amendments, the Condominium Bylaws, the Association's Articles of Incorporation, other Condominium Documents that pertain to the use and operation of the Project. These Bylaws shall constitute both the Condominium Bylaws referred to in the Master Deed and required by Section 53 of the Act and the Association Bylaws provided for under the Michigan Non-Profit Corporation Act. The acceptance of a deed of conveyance, the entering into of a lease, or the act of occupying a Condominium Unit in the Project shall constitute an acceptance of the terms of the Condominium Documents and an agreement to comply with their provisions.

Section 2. MEMBERSHIP AND VOTING

2.1 Membership. Each Owner of a Unit in the Project shall be a member of the Association during the period of ownership, and no other person or entity will be entitled to membership. The share of a member in the funds and assets of the Association may be assigned, pledged, or transferred only as an appurtenance to a Unit.

2.2 Voting Rights. Each Owner will be entitled to one vote for each Unit owned when voting by number and one vote, the value of which shall equal the total of the percentages assigned to the Unit or Units owned, when voting by value. Voting shall be by number except when the Master Deed or Bylaws specifically require voting to be by number and value, and no cumulation of votes shall be permitted.

2.3 Eligibility to Vote. No Owner other than Developer will be entitled to vote at any meeting of the Association until the Owner has presented written evidence of ownership of a Unit in the Project, nor shall the Owner be entitled to vote (except for elections pursuant to section 3.4) before the Initial Meeting of Members. An Owner shall be permitted to vote only if the Owner is not in default in payment of assessments levied against the Owner's unit. Developer shall be entitled to vote only those Units to which Developer still holds title.

2.4 Designation of Voting Representative. The person entitled to cast the vote for each Unit and to receive all notices and other communications from the Association shall be designated by a certificate signed by all the record owners of a Unit and filed with the secretary of the

Association. The certificate shall state the name and address of the individual representative designated; the number of the Unit owned; and the name and address of the person or persons, firm, corporation, partnership, association, trust, or other legal entity who is the Unit owner. All certificates shall be valid until revoked, until superseded by a subsequent certificate, or until a change has occurred in the ownership of the Unit.

2.5 Proxies. Votes may be cast in person or by proxy. Proxies may be made by any designated voting representative who is unable to attend the meeting in person. Proxies will be valid only for the particular meeting designated and any adjournment and must be filed with the Association before the appointed time of the meeting.

2.6 Majority. At any meeting of members at which a quorum is present, 51 percent of the Owners entitled to vote and present in person or by proxy (or written vote, if applicable) shall constitute a majority for the approval of the matters presented to the meeting, except when these Bylaws, the Master Deed, or law required a majority exceeding a simple majority.

Section 3. MEETINGS AND QUORUM

3.1 Initial Meeting of Members. The initial meeting of the members of the Association may be convened only by the Developer and may be called at any time after two or more of the Units in the Project have been sold and the buyers qualified as members of the Association. In no event, however, shall the initial meeting be called later than (a) 120 days after the conveyance of legal or equitable title to non-developer Owners of 75 percent of the total number of Units that may be created in the Project or (b) 54 months after the first conveyance of legal or equitable title to a non-developer Owner of a Unit, whichever first occurs, at which meeting the eligible Owners may vote for the election of directors of the Association. The maximum number of Units that may be added to the Project under section 6 of the Master Deed shall be included in the calculation of the number of Units that may be created. Developer may call meetings of members of the Association for informational or other appropriate purposes before the initial meeting, but no such informational meeting shall be construed as the initial meeting of members.

3.2 Annual Meeting of Members. After the initial meeting has occurred, annual meetings of the members shall be held in each year on a date and at a time and place selected by the Board of Directors. At least 20 days before the date of an annual meeting, written notice of the date, time, place, and purpose of the meeting shall be mailed or delivered to each member entitled to vote at the meeting; but no less than 30 days written notice shall be provided to each member of any proposed amendment to these Bylaws or to other recorded Condominium Documents.

3.3 Advisory Committee. Within one year after the initial conveyance by Developer of legal or equitable title to an Owner of a Unit in the Project or within 120 days after conveyance of one-third of the total number of Units that may be created in the Project, whichever first occurs, Developer shall select two or more persons from the non-developer Owners to serve as an advisory committee to the Board of Directors (the Advisory Committee). The purpose of the Advisory Committee is to facilitate communication between the Developer-appointed Board of Directors and the non-developer Owners and to aid in the ultimate transition of control to the Owners. The members of the Advisory Committee shall serve for one year or

until their successors are selected, and the Committee shall automatically cease to exist at the Transitional Control Date. The Board of Directors and the Advisory Committee shall meet with each other at the request of the Advisory Committee, but there shall be not more than two such meetings each year unless both parties agree.

3.4 Board Composition. Not later than 120 days after conveyance of legal or equitable title to non-developer Owners of 25 percent of the Units that may be created in the Project, at least one director and not less than one-fourth of the Board of Directors of the Association shall be elected by non-developer Owners. Not later than 120 days after conveyance of legal or equitable title to non-developer Owners of 50 percent of the Units that may be created in the Project, not less than one-third of the Board of Directors shall be elected by non-developer Owners. Not later than 120 days after conveyance of legal or equitable title to non-developer Owners of 75 percent of the Units that may be created in the Project and before conveyance of 90 percent of those Units, the non-developer Owners shall elect all directors on the board except that Developer shall have the right to designate at least one director as long as Developer owns and offers for sale at least 10 percent of the Units in the Project or as long as 10 percent of the Units remain that may be created.

3.5 Owner Control. If seventy-five (75%) percent of the Units that may be created in the Project have not been conveyed within 54 months after the first conveyance of legal or equitable title to a non-developer Owner, the non-developer Owners shall have the right to elect the percentage of members of the Board of Directors of the Association equal to the percentage of Units they hold, and Developer will have the right to elect the percentage of members of the board equal to the percentage of Units that are owned by Developer and for which all assessments are payable by Developer. This election may increase, but shall not reduce, the minimum election and designation rights of directors otherwise established in section 3.4.

3.6 Mathematical Calculations. If the calculation of the percentage of members of the board that the non-developer Owners have a right to elect or the product of the number of members of the board multiplied by the percentage of Units held by the non-developer Owners results in a right of non-developer Owners to elect a fractional number of members of the board, a fractional election right of 0.5 or greater shall be rounded up to the nearest whole number. After application of this formula, Developer shall have the right to elect the remaining members of the board. Application of this provision shall not eliminate the right of Developer to designate at least one member as provided in section 3.4.

3.7 Quorum of Members. The presence in person or by proxy of 35 percent of the Owners entitled to vote shall constitute a quorum of members. The written vote of an Owner properly furnished at or before a meeting at which the Owner is not present in person or by proxy shall be counted in determining the presence of a quorum with respect to the question on which the vote is cast.

Section 4. ADMINISTRATION

4.1 Board of Directors. The business, property, and affairs of the Association shall be managed by a board of directors (the Board of Directors) to be elected in the manner described in these Bylaws. The directors designated in the Articles of Incorporation shall

serve until their successors have been duly elected and qualified at the initial meeting of members. All actions of the first Board of Directors designated in the Articles of Incorporation or any successors to the directors selected by Developer before the initial meeting of members shall be binding on the Association as though the actions had been authorized by a Board of Directors elected by the members of the Association so long as the actions are within the scope of the powers and duties that a Board of Directors may exercise under the Condominium Documents. A service contract or management agreement entered into between the Association and Developer or affiliates of Developer shall be voidable without cause by the Board of Directors on the Transitional Control Date or within 90 days after the initial meeting has been held and on 30 days' notice at any time for cause.

4.2 Powers and Duties. The Board shall have all powers and duties necessary to administer the affairs of the Association and may take all actions in support of the administration that are not prohibited by the Condominium Documents or specifically reserved to the members, including the following:

- a. care, upkeep, and maintenance of the Common Elements
- b. development of an annual budget and the determination, levy, and collection of assessments required for the operation and affairs of the Condominium
- c. employment and dismissal of contractors and personnel as necessary for the efficient management and operation of the Condominium Property
- d. adoption and amendment of rules and regulations governing the use of the Condominium Property not inconsistent with these Bylaws
- e. opening bank accounts, borrowing money, and issuing evidences of indebtedness in furtherance of the purposes of the Association and designating signatories required for those purposes
- f. obtaining insurance for the Common Elements, the premiums of which shall be an expense of administration
- g. granting licenses for the use of the Common Elements for purposes not inconsistent with the provisions of the Act or of the Condominium Documents
- h. authorizing the execution of contracts, deeds of conveyance, easements, and rights-of-way affecting any real or personal property of the Condominium on behalf of the Owners
- i. making repairs, additions, and improvements to or alterations of the Common Elements and repairs to and restoration of the Common Elements after damage or destruction by fire or other casualty or as a result of condemnation or eminent domain proceedings
- j. asserting, defending, or settling claims on behalf of all Owners in connection with the Common Elements of the Project and, on written notice to all Owners, instituting actions on behalf of and against the Owners in the name of the Association

k. further duties as may be imposed by resolution of the members of the Association or that may be required by the Condominium Documents or the Act

4.3 Books of Account. The Association shall keep books and records containing a detailed account of the expenditures and receipts of administration, which will specify the maintenance and repair expenses of the Common Elements and any other expenses incurred by or on behalf of the Association and its members. The accounts shall be open for inspection by the Owners and their mortgagees during reasonable hours. The Association shall also prepare and distribute a financial statement to each Owner at least once a year, the contents of which will be defined by the Association. The books and records shall be reviewed annually and audited at times required by the Board of Directors by qualified independent accountants (who need not be certified public accountants), and the cost of the review or audit shall be an expense of administration.

4.4 Maintenance, Repair, and Replacement. The responsibility for maintenance, repair, and replacement of Units and Common Elements (other than following casualty damage, which is described in section 6.3 of the Bylaws) is as follows:

a. All maintenance, repair, and replacement of the structures and other improvements located within a Unit or Limited Common Elements that are the responsibility of the Owner of a Unit as set forth in the Master Deed shall be made by the Owner of the Unit. Each Owner shall be responsible for all damages to the Common Elements resulting from the repairs or from any failure of the Owner to perform maintenance and repairs to a Unit.

b. All maintenance, repair, and replacement of the General Common Elements, whether located inside or outside the Units, and of Limited Common Elements to the extent required by the Master Deed shall be made by the Association and shall be charged to all the Owners as a common expense unless necessitated by the negligence, misuse, or neglect of a particular Owner, in which case the expense shall be charged to the responsible Owner. The Association or its agent shall have access to each Unit (but not to the interior of any residence or garage within a Unit) from time to time during reasonable hours, on notice to the occupant, to maintain, repair, or replace any of the Common Elements located within or accessible only from a Unit that are the responsibility of the Association. The Association or its agents shall also have access to each Unit at all times without notice for making emergency repairs necessary to prevent damage to other Units or the Common Elements.

4.5 Reserve Fund. The Association shall maintain a reserve fund, to be used for major repairs and replacement of the Common Elements, as provided by MCL 559.205. The fund shall be established in the minimum amount required on or before the Transitional Control Date and shall, to the extent possible, be maintained at a level that is equal to or greater than ten (10%) percent of the then current annual budget of the Association on a noncumulative basis. The minimum reserve standard required by this section may prove to be inadequate, and the Board should carefully analyze the Project from time to time to determine if a greater amount should be set aside or if additional reserve funds should be established for other purposes.

4.6 Construction Liens. A construction lien arising as a result of work performed on a Unit or on an appurtenant Limited Common Element shall attach only to the Unit on which the work was performed, and a lien for work authorized by Developer or the principal contractor shall attach only to Condominium Units owned by Developer at the time of recording the lien. A construction lien for work authorized by the Association shall attach to each Unit only to the proportionate extent that the Owner of the Unit is required to contribute to the expenses of administration. No construction lien shall arise or attach to a Condominium Unit for work performed on the General Common Elements not contracted for by the Association or Developer.

4.7 Managing Agent. The Board may employ a management company or managing agent at a compensation established by the Board to perform the duties and services as the Board shall authorize, including, but not limited to, the powers and duties described in section 4.2. Developer or any person or entity related to Developer may serve as managing agent, but any compensation paid to Developer shall be at competitive rates.

4.8 Officers. The Board of Directors, at its annual meeting, as described below, shall appoint a president, secretary and treasurer. The Board of Directors may also appoint one or more vice-presidents and such other officers, employees and agents as the Board shall deem necessary, which officers, employees and agents shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Board of Directors. Two or more offices, except that of president and vice-president, may be held by one person who may also be a Director. An officer shall be a Co-Owner, or shareholder, officer, director, employee or partner of a Co-Owner that is an entity. Officers may be compensated, but only on the affirmative vote of sixty-seven (67%) percent or more of all Owners. Each officer of the Association shall hold office for the term for which he is appointed until his successor is elected or appointed, or until his resignation or removal. Any officer appointed by the Board of Directors may be removed by the Board of Directors with or without cause at any time. Any officer may resign by written notice to the Board of Directors. Any vacancy occurring in any office may be filled by the Board of Directors. The responsibilities of each office shall be as follows:

- a. **President.** The President shall be the chief executive officer of the Association and shall preside at all meetings of the Association and of the Board of Directors. The President shall have all of the general powers and duties which are usually vested in the office of the President of an Association, including, but not limited to, the power to appoint committees from among the members of the Association from time to time in the President's discretion as may be deemed appropriate to assist in the conduct of the affairs of the Association.
- b. **Vice President.** The Vice President shall take the place of the President and perform the President's duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board to so do on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed by the Board of Directors.

- c. **Secretary.** The Secretary shall keep the minutes of all meetings of the Board of Directors and the minutes of all meetings of the members of the Association and shall have charge of the corporate seal and of such books and papers as the Board of Directors may direct, and shall in general perform all duties incident to the office of the Secretary.
- d. **Treasurer.** The Treasurer shall have responsibility for the Association's funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. The Treasurer shall be responsible for the deposit of all monies and other valuable effects in the name and to the credit of the Association, and in such depositories as may, from time to time, be designated by the Board of Directors.
- e. **Election.** The officers of the Association shall be elected annually by the board of Directors at the organizational meeting of each new Board and shall hold office at the pleasure of the Board.
- f. **Removal.** Upon affirmative vote of a majority of the members of the Board of Directors, any officer may be removed either with or without cause, and the officer's successor elected at any regular meeting of the Board of Directors, or at any special meeting of the Board called for such purpose. No such removal action may be taken, however, unless the matter shall have been included in the notice of such meeting. The officer who is proposed to be removed shall be given an opportunity to be heard at the meeting.
- g. **Duties.** The officers shall have such other duties, powers and responsibilities as shall, from time to time, be authorized by the Board of Directors.

4.9 Seal. The Board of Directors may adopt a seal on behalf of the Association which shall have inscribed thereon the name of the Association, the words "corporate seal" and "Michigan".

4.10 Indemnification. All directors and officers of the Association, and its employees and agents shall be entitled to indemnification against costs and expenses incurred as a result of actions (other than willful or wanton misconduct or gross negligence) taken or failed to be taken on behalf of the Association on ten (10) days notice to all Owners to the fullest extent allowed by Michigan law, subject only to the restrictions and prohibitions set forth from time to time by the Michigan Nonprofit Corporation Act ("Act"). If no judicial determination on indemnification has been made, an opinion of independent counsel on the propriety of indemnification shall be obtained if a majority of Owners vote to procure such an opinion. The Board shall also have the right to extend indemnification to third parties to the extent liability is incurred on behalf of the Association if determined appropriate, to extent allowed by the Act.

Section 5. ASSESSMENTS

5.1 Administrative Expenses. The Association shall be assessed as the entity in possession of any tangible personal property of the Condominium owned or possessed in common, and personal property taxes levied on such property shall be treated as expenses of administration. All costs incurred by the Association in satisfaction of any liability arising within, caused by, or connected with the Common Elements or the administration of the Project shall be expenses of administration, and all sums received as proceeds of or pursuant to any policy of insurance covering the interests of the Owners against liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Common Elements shall be receipts of administration.

5.2 Determination of Assessments. Assessments will be determined in accordance with the following provisions:

a. **Initial Budget.** The Board of Directors of the Association shall establish an initial budget in advance for each fiscal year that will project all expenses for the coming year that may be required for the proper operation, management, and maintenance of the Condominium Project, including a minimum ten (10%) percent of the current annual budget reserve fund for major repairs and replacement of Common Elements. The annual assessment to be levied against each Unit in the Project shall then be determined on the basis of the budget. Copies of the budget shall be delivered to each Owner, although the failure to deliver a copy to each Owner will not affect or in any way diminish the liability of an Owner for any existing or future assessment.

b. **Budget Adjustments.** If the Board of Directors determines at any time, in its sole discretion, that the initial assessments levied are insufficient (i) to pay the costs of operation and maintenance of the Common Elements, (ii) to provide for the replacement of existing Common Elements, (iii) to provide for additions to the Common Elements not exceeding \$5,000.00 annually, or (iv) to respond to an emergency or unforeseen development; the Board is authorized to increase the initial assessment or to levy any additional assessments it deems necessary for such purposes. The discretionary authority of the Board of Directors to levy additional assessments will rest solely with the Board of Directors for the benefit of the Association and its members and may not be attached by or subject to specific performance by any creditors of the Association.

c. **Special Assessments.** The Board of Directors may make special assessments in excess of those permitted by subsections (a) and (b) from time to time following the approval of the Owners as provided in this subsection to meet other needs or requirements of the Association, including but not limited to (i) assessments for additions to the Common Elements costing more than \$5,000.00 in any year, (ii) assessments to purchase a Unit on foreclosure of the lien described in section 5.5, or (3) assessments for any other appropriate purpose not specifically described. Special assessments referred to in this subsection (but not those assessments referred to in subsections (a) and (b), which will be levied in the sole discretion of the Board of Directors) will not be levied without the prior approval of sixty-seven (67%) percent or more (in number and in value) of all Owners. The authority to levy assessments pursuant to this subsection is solely for the benefit of

the Association and its members and may not be attached by or subject to specific performance by any creditors of the Association.

5.3 Apportionment of Assessments. All assessments levied against the Unit Owners to cover expenses of administration shall be apportioned among and paid by the Owners in accordance with the Percentage of Value allocated to each Unit in the Master Deed and any other assessment provisions in the Master Deed, without increase or decrease for the existence of any rights to the use of Limited Common Elements appurtenant to a Unit. Unless the Board elects some other periodic payment schedule, annual assessments will be payable by Owners in one (1) annual payment, commencing with the acceptance of a deed to or a land contract vendee's interest in a Unit or with the acquisition of title to a Unit by any other means. The payment of an assessment will be in default if the assessment, or any part, is not received by the Association in full on or before the due date for the payment established by rule or regulation of the Association. However, the Board of Directors, including the first Board of Directors appointed by Developer, may relieve a Unit Owner who has not constructed a residence within a Unit from payment, for a limited period of time, of all or some portion of the assessment for the Unit's respective allocable share of the Association budget. The purpose of this provision is to provide fair and reasonable relief from Association assessments for nonresident Owners until those Owners begin to use the Common Elements on a regular basis.

5.4 Expenses of Administration. The expenses of administration shall consist, among other things, of the amounts the Board deems proper to operate and maintain the Condominium property under the powers and duties delegated to it and may include, without limitation, amounts to be set aside for working capital of the Condominium, for a general operating reserve, for a reserve for replacement, and for meeting any deficit in the common expense for any prior year. Any reserves established by the Board before the initial meeting of members shall be subject to approval by the members at the initial meeting. The Board shall advise each Owner in writing of the amount of common charges payable by the Owner and shall furnish copies of each budget containing common charges to all Owners.

5.5 Collection of Assessments. Each Owner shall be obligated for the payment of all assessments levied on the Owner's Unit while that person is the Owner of the Unit, and no Owner may become exempt from liability for the Owner's contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of a Unit.

a. **Legal Remedies.** In the event of default by any Owner in paying the assessed common charges, the Board may declare all unpaid installments of the annual assessment for the pertinent fiscal year to be immediately due and payable. In addition, the Board may impose reasonable fines or charge interest at the legal rate on assessments from and after the due date. Unpaid assessments, together with interest on the unpaid assessments, collection and late charges, advances made by the Association for taxes or other liens to protect its lien, attorney fees, and fines in accordance with the Condominium Documents, shall constitute a lien on the Unit prior to all other liens except tax liens in favor of any state or federal taxing authority and sums unpaid on a mortgage of record recorded before the recording of any notice of lien by the Association; and the Association may enforce the collection of all sums due by suit at law for a money judgment or by foreclosure of

the liens securing payment as provided by MCL 559.208. In a foreclosure proceeding, whether by advertisement or by judicial action, the Owner or anyone claiming under the Owner shall be liable for assessments charged against the Unit that become due before the redemption period expires, together with interest, advances made by the Association for taxes or other liens to protect its lien, costs, and reasonable attorney fees incurred in their collection.

b. Sale of Unit. On the sale or conveyance of a Unit, all unpaid assessments against the Unit shall be paid out of the sale price by the buyer in preference over any other assessment or charge except as otherwise provided by the Condominium Documents or by the Act. A buyer or grantee may request a written statement from the Association for the amount of unpaid assessments levied against the Unit being sold or conveyed, and the buyer or grantee shall not be liable for, nor shall the Unit sold or conveyed be subject to, a lien for any unpaid assessments in excess of the amount stated in a written response from the Association. However, unless the buyer or grantee requests a written statement from the Association at least five (5) days before the sale as provided in the Act, the buyer or grantee shall be liable for any unpaid assessments against the Unit together with interest, late charges, fines, costs, and attorney fees.

c. Self-Help. The Association may enter the Common Elements, Limited or General, to remove and abate any condition constituting a violation or may discontinue the furnishing of services to an Owner in default under any of the provisions of the Condominium Documents on seven (7) days written notice to the Owner of the Association's intent to do so. An Owner in default shall not be entitled to use any of the General Common Elements of the Project and shall not be entitled to vote at any meeting of the Association so long as the default continues, but this provision shall not operate to deprive any Owner of ingress and egress to and from the Owner's Unit.

d. Application of Payments. Money received by the Association in payment of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including reasonable attorney fees; second, to any interest charges and fines for late payment on the assessments; and third, to installments of assessments in default in order of their due dates.

5.6 Financial Responsibility of Developer. The responsibility of Developer for assessments is as follows:

a. Pre-turnover Expenses. Before the Transitional Control Date, it will be Developer's responsibility to keep the books balanced and to avoid any continuing deficit in operating expenses, but the Developer shall not be responsible for the payment of dues and/or general or special assessments. At the time of the initial meeting, Developer will not be liable for the funding of any continuing deficit of the Association that was incurred before the Transitional Control Date.

b. Post-turnover Expenses. After the Transitional Control Date and continuing for any remaining Development and Sales Period, Developer shall not be responsible for the payment of dues and/or either general or special assessments levied by the Association on

Units owned by Developer until Developer has conveyed such Units owned by Developer to a Third Party.

c. **Exempted Transactions.** Under no circumstances will Developer be responsible for the payment of any portion of any assessment that is levied for deferred maintenance, reserves for replacement, capital improvements, or additions or to finance litigation or other claims against Developer.

Section 6. TAXES, INSURANCE, AND REPAIR

6.1 Real Property Taxes. Real property taxes and assessments shall be levied against the individual Units and not against the Property of the Project or any phase of the Project, except for the calendar year in which the Project or phase is established. Taxes and assessments that become a lien against the Property in the year in which the Project was established shall be expenses of administration and shall be assessed against the Units located on the land with respect to which the tax or assessment was levied in proportion to the Percentage of Value assigned to each Unit. Real property taxes and assessments levied in any year in which a vacation of the Project occurs shall be assessed only against the individual Units. For tax and special assessment purposes, no Unit shall be combined with any other Unit or Units, and no assessment of any fraction of a Unit or combination of any Unit with other whole or partial Units shall be made, nor shall any division or split of the assessment or taxes of a single Unit be made, whether the Unit is owned by an individual or multiple Owners. Taxes for real property improvements made to or within a specific Unit shall be assessed against that Unit only, and each Unit shall be treated as a separate, single parcel of real property for purposes of property taxes and special assessments.

6.2 Insurance Coverage. The Association shall be appointed as attorney-in-fact for each Owner to act on insurance matters and shall be required to obtain and maintain, to the extent applicable, casualty insurance with extended coverage, vandalism, and malicious mischief endorsements; liability insurance (including director's and officer's liability coverage if deemed advisable); and worker's compensation insurance pertinent to the ownership, use, and maintenance of the Common Elements of the Project. All insurance shall be purchased by the Board of Directors for the benefit of the Association, the Owners, the mortgagees, and Developer, as their interests may appear. The insurance, other than title insurance, shall be carried and administered according to the following provisions:

a. **Owner Responsibilities.** Each Owner will be responsible for obtaining casualty insurance coverage at the Owner's expense with respect to the residence and all other improvements constructed or located within the perimeters of the Owner's Unit and for the Limited Common Elements appurtenant to the Owner's Unit. It shall also be each Owner's responsibility to obtain insurance coverage for the Owner's personal property within the Owner's Unit or elsewhere on the Condominium, for personal liability for occurrences within the Owner's Unit or on the Limited Common Elements appurtenant to the Owner's Unit, and for alternative living expenses in the event of fire or other casualty causing temporary loss of the Owner's residence. All insurance carried by the Association or any Owner shall contain provisions permitting the waiver of the right of subrogation for any claims against any Owner or the Association for insured losses.

b. Common Element Insurance. The General Common Elements of the Project shall be insured by the Association against casualties covered by a standard extended coverage endorsement, to the extent deemed applicable and appropriate, in an amount to be determined annually by the Board of Directors. The Association shall not be responsible for maintaining insurance with respect to the Limited Common Elements, the Units themselves, or any improvements located within the Units.

c. Fidelity Insurance. The Association may obtain, if desired, fidelity coverage to protect against dishonest acts by its officers, directors, employees, and all others who are responsible for handling funds of the Association.

d. Power of Attorney. The Board of Directors is irrevocably appointed as the agent for each Owner, each mortgagee, other named insured's and their beneficiaries, and any other holder of a lien or another interest in the Condominium or the Property to adjust and settle all claims arising under insurance policies purchased by the Board and to execute and deliver releases on the payment of claims.

e. Indemnification. Each individual Owner shall indemnify and hold harmless every other Owner, Developer, and the Association for all damages, costs, and judgments, including actual attorney fees, that any indemnified party may suffer as a result of defending claims arising out of an occurrence on or within an individual Owner's Unit or appurtenant Limited Common Elements. This provision shall not be construed to give an insurer any subrogation right or other right or claim against an individual Owner, Developer, or the Association, which rights are waived.

f. Premium Expenses. Unless otherwise provided, all premiums for insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration of the Association.

6.3 Reconstruction and Repair. If any part of the Condominium Property is damaged or destroyed by fire or other casualty, the decision whether or not it will be reconstructed or repaired will be made in the following manner:

a. General Common Elements. If the damaged property is a General Common Element, the damaged property shall be repaired or rebuilt unless 80 percent or more of the Owners and the institutional holders of mortgages on any Unit in the Project agree to the contrary. However, if the damaged property is common roadway and is the sole means of ingress and egress to one or more Units in the Project, it will be repaired or rebuilt unless the 80 percent or more of the Owners agreeing not to repair or rebuild includes the Owners of all such Units.

b. Limited Common Elements and Improvements. If the damaged property is a Limited Common Element or an improvement located within the boundaries of a Unit, the Owner of the affected Unit alone shall determine whether to rebuild or repair the damaged property, subject to the rights of any mortgagee or other person having an interest in the property, and the Owner shall be responsible for the cost of any reconstruction or repair that the Owner elects to make. The Owner shall in any event remove all debris and restore the Unit and its improvements to a clean and sightly

condition satisfactory to the Association within a reasonable period of time following the occurrence of the damage.

c. Reconstruction Standards. Any reconstruction or repair shall be substantially in accordance with the Master Deed and the original plans and specifications for the improvements located within the Unit, unless prior written approval for changes is obtained from the Architectural Review Committee.

d. Procedure and Timing. Immediately after the occurrence of a casualty causing damage that is to be reconstructed or repaired by the Association, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to cover the estimated cost of reconstruction or repair required to be performed by the Association or if at any time during the reconstruction or repair the funds for the payment of the costs by the Association are insufficient, assessment shall be levied against all Owners in sufficient amounts to provide funds to pay the estimated or actual costs of reconstruction or repair. This provision shall not be construed to require the replacement of mature trees and vegetation with equivalent trees or vegetation.

6.4 Eminent Domain. The following provisions will control on any taking by eminent domain:

a. Condominium Units. In the event of the taking of all or any portion of a Condominium Unit or any improvements located within the perimeters of a Unit, the award for the taking shall be paid to the Owner of the Unit and any mortgagee, according to their interests. If an Owner's entire Unit is taken by eminent domain, the Owner and any mortgagee shall, after acceptance of the condemnation award, be divested of all interest in the Project.

b. Common Elements. In the event of the taking of all or any portion of the General Common Elements, the condemnation proceeds relative to the taking shall be paid to the Association for use by or distribution to its members. The affirmative vote of 80 percent or more of the Owners in number and in value shall determine whether to rebuild, repair, or replace the portion taken or to take another action.

c. Amendment to the Master Deed. If the Project continues after the taking by eminent domain, the remaining portion of the Project shall be resurveyed and the Master Deed amended accordingly; and if any Unit has been taken, section 5 of the Master Deed shall also be amended to reflect the taking and to proportionately readjust the Percentages of Value of the remaining Owners based on the continuing total value of the Condominium of 100 percent. The amendment may be completed by an officer of the Association duly authorized by the Board of Directors and the Ocoola Township Board without the necessity of execution or specific approval by any Owner.

d. Notice to Mortgagees. If any Unit in the Condominium, the Common Elements, or any portion of them is made the subject matter of an eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association shall

promptly notify each holder of a publicly recorded mortgage lien on any of the Units in the Condominium.

e. **Inconsistent Provisions.** To the extent not inconsistent with the provisions of this section, MCL 559.233 shall control on any taking by eminent domain.

Section 7. CONSTRUCTION REQUIREMENTS

7.1 Design Standards. Design standards for Units in the Project are set forth in this section. Design standards promote quality, value, and stability for Unit Owners. The standards in this section are intended to promote consistency of architecture and landscape design and to enhance and preserve real estate values.

7.2 Developer Approvals. During the Development and Sales Period, no residences, buildings, fences, walls, drives, walks, or other improvements shall be commenced, erected, or maintained; no addition to or external change in the appearance of any structure shall be made (including color and design); and no hedges, trees, plantings, or landscaping modifications shall be made until plans or specifications acceptable to Developer, showing the nature, kind, shape, height, materials, color scheme, location, and approximate cost of the structure or improvement and the grading and landscaping plan of the area to be affected, have been submitted to and approved in writing by Developer. Developer shall have the right to refuse to approve any plans or specifications, including the grading and landscaping plans that are not suitable or desirable in its opinion for aesthetic or other reasons. In passing on such specifications or grading or landscaping plans, Developer shall have the right to take into consideration the suitability of the proposed structure, improvement, or modification; the site on which it is proposed to be erected; and the degree of harmony with the Condominium as a whole.

7.3 Review Committee. Following the Development and Sale Periods Developer will establish an architectural review committee (the Review Committee). The mission of the Review Committee is to ensure that all plans submitted for review, and all subsequent exterior changes or modifications, meet the criteria established in the design standards. The design standards for the Project are intended to provide a compatible neighborhood image.

7.4 Architectural Review. Following the Development and Sales Period, no residence, structure, or other improvements shall be constructed within a Unit or elsewhere on the Property and no exterior modification shall be made to any existing residence, structure, or improvement unless plans and specifications containing whatever detail the Review Committee reasonably requires has first been approved in writing by the Review Committee. The Review Committee shall have the right to refuse to approve any plans and specifications, color or material applications, grading or landscaping plans, or building location plans that are not suitable or desirable in its opinion for aesthetic or other reasons. In passing on the plans and specifications, the Review Committee shall have the right to take into consideration the suitability of the proposed structure, improvement, or modification, the site on which it is proposed to be constructed, the proposed location of any improvement within the Unit, the location of structures within adjoining Units and the degree of harmony with the Condominium as a whole. Prior to commencement of construction, the Owner must have all permits and approvals required by the Ocala Township Board.

7.5 Approval of Contractor. All residences and other structures shall be constructed only by residential home builders licensed by the State of Michigan and approved in writing by Developer or, following the Development and Sales Period, by the Review Committee. If building construction is intended to commence within three months after the date of plan approval, the name of the proposed residential builder must be submitted when the plans and specifications are submitted. If construction is to be delayed beyond three months, the name of the proposed residential builder must be submitted for approval at least sixty (60) days before the commencement of construction. In its approval process, the Review Committee may take into consideration the qualifications of the proposed builder along with its reputation in the community before deciding whether or not that builder will be approved for participation in the Project. Construction of all other improvements, including swimming pools and landscaping, must also be done by contractors approved in writing by the Review Committee.

7.6 Specific Requirements. All approvals required by this section shall comply with the following requirements:

a. Construction Materials. Each residence shall be finished with wood, stone, brick, or vinyl exterior, and shall include windows of exterior color matching or coordinating with approved exterior building materials and clad with either-aluminum or vinyl. Exposed chimneys shall be constructed of brick, stone, cultured stone, or vinyl. Roofs must be of shingle construction using cedar, fiberglass, or asphalt shingles. Driveways shall be paved prior to occupancy and shall be of asphalt or concrete. Children's play structures and enclosed play areas shall be located in the rear yard area and must be approved by Review Committee with regard to size and materials. All exterior paints, stains, and material colors must be shown as part of the plan submitted for approval, and samples shall be furnished to the Review Committee on request.

b. Size and Space Requirements. No residence shall be constructed on any Unit with less than the following sizes of finished living areas (as calculated on exterior dimensions), exclusive of decks, porches, patios, garages, and basements (whether full basements, daylight basements, or walkout basements):

- * One-story home – 1,600 sq. ft.
- * Multi-story home – 1,700 sq. ft. with First Floor Master Suit
- * Two-story home – 1,800 sq. ft

c. Improvements and Outbuildings. Each residence must be equipped with an attached garage of not less than minimum two cars and maximum three cars for front entry, and outside parking for a minimum of two vehicles shall be provided on the driveway. One additional detached structure of a size as determined by the Review Committee will be permitted for storage or accessory garage space.

d. Air Conditioning Units. Air conditioning units must be located behind the residence and be screened with landscaping so as to not be seen.

e. Letter and Delivery Boxes. The Review Committee will determine the location, design, and permitted lettering of all mail and paper delivery boxes. Mail boxes shall be in clusters of no more than four (4), uniform in size, black in color and located street side and shall be provided by Developer.

7.7 Codes and Ordinances. In addition to the construction requirements in this Section, all buildings and other structures must comply with applicable PUD zoning, building, mechanical, electrical, and plumbing codes of the applicable jurisdictions in effect when the building or structure is erected.

7.8 Time for Construction. At the time of submitting the name of a proposed residential builder for approval, a date for commencement of construction (which shall not be more than one year after the date of approval) must be agreed on and approved by the Review Committee. Once construction has started, work on the building must be diligently pursued and completed within a maximum of 12 months from the date of commencement. The Committee may extend the time for commencement or completion when, in its opinion, conditions warrant an extension.

7.9 Reserved Developer Rights. The purpose of section 7 is to ensure the continued maintenance of the Condominium as an attractive and harmonious residential development, and its provisions shall be binding on both the Association and all Owners in the Project and are subject to approval of the Ocoola Township Board. Developer (or any residential builder to whom Developer has assigned such rights) shall have the right to maintain a model unit, sales office, advertising display signs, storage areas, and reasonable parking incident to its sales efforts and to access to, from, and over the Property as may be reasonable to enable development and sale of the entire Project.

7.10 Review Committee Appointment. Following the Development and Sale Periods, if rights of appointment have not previously been assigned to the Association, Developer's representatives shall resign from the Review Committee, and the Board of Directors of the Association shall appoint three new members to the Review Committee. In each succeeding year or at whatever other intervals the Board of Directors decides, the Board of Directors shall appoint or reappoint the three members to serve on the Review Committee.

7.11 Permitted Variance. The Review Committee may, on a showing of practical difficulty or other good cause, grant variances from the requirements of this section, but only to an extent and in a manner that does not violate the spirit and intent of the requirements. Variances are subject to compliance with Ocoola Township processes, approvals and regulations.

7.12 Setback Lines. No building will be erected on any Unit nearer to the street line or to either side Unit boundary or closer to the rear Unit boundary than permitted by the setback requirements of the PUD zoning applicable to the Unit that is in effect at the time of the contemplated construction of any building unless a variance or other permission for the setback is obtained from the applicable authority. If compliance with these setback requirements is impracticable or would create a hardship for a corner Unit or an odd-shaped building site, the Review Board may specify front yard, side yard, and rear yard widths and depths that are less than those required by this section. When 1¹/₂ or more Units are acquired

as a single building site, the side Unit boundaries will refer only to the Unit boundary lines bordering the property of adjoining owners. All setbacks shall be as approved on the Site Plan dated April 10, 2015. All variations or noncompliance is subject to Oceola Township Board approvals and procedures.

7.13 Building Height. The height of any building shall not exceed that permitted by the Township Zoning Ordinance. If any portion of a level or floor within a building is below grade, all of that level or floor shall be considered a basement level.

7.14 Improvements Adjoining Roadway. No trees, plantings, fencing, or other improvements will be placed where they obstruct vehicular visibility at or near street intersections.

7.15 Soil from Excavation. All soil to be removed from any of the Units in the course of grading or excavating will, at Developer's option, become the property of Developer and be placed by the Owner or the Owner's contractor at the Owner's expense in a location within or adjoining the Project designated by Developer.

Section 8. USE AND OCCUPANCY RESTRICTIONS

8.1 Residential Use. Condominium Units shall be used exclusively for residential occupancy, and no Unit or appurtenant Common Element shall be used for any purpose other than that of a single-family residence and purposes incidental to residential use. Home occupations conducted entirely within the residence and participated in solely by members of the immediate family residing in the residence that do not generate unreasonable traffic by members of the general public and do not change the residential character of the Unit or neighborhood are permitted as incidental to primary residential use. No building intended for other business uses and no apartment house, rooming house, day care facility, foster care residence, or other commercial or multiple-family dwelling of any kind shall be erected, placed, or permitted on any Unit. In no event shall any barbershop, styling salon, beauty parlor, tearoom, animal hospital, or any other form of animal care or treatment such as dog trimming be considered as a home occupation. Home Occupations shall be as regulated, defined and subject to approval by the Oceola Township Board.

8.2 Common Areas. The Common Elements shall be used only by the Owners of Units in the Condominium and their agents, tenants, family members, invitees, and licensees for access, ingress to, and egress from the respective Units and for other purposes incidental to use of the Units. Any parking areas or other Common Elements designed for a specific purpose shall be used only for those purposes or other uses approved by the Board. The use, maintenance, and operation of the Common Elements shall not be obstructed, damaged, or unreasonably interfered with by any Owner and shall be subject to any lease or easement presently in existence or entered into by the Board at some future date that affects all or any part of the Common Elements.

8.3 Use and Occupancy Restrictions. In addition to the general requirements of sections 8.1–8.3, the use of the Project and its Common Elements by any Owner shall be subject to the following specific restrictions:

a. Elevations and Exterior Changes. No substantially similar front elevations (in either style or color) of any residence shall be duplicated on any Site less than three units away on either side along the front site lines or across the street, unless approved by the Developer or the Review Committee. No Owner shall make any additions, alterations, or modifications to any of the Common Elements or any changes to the exterior appearance of the building or other improvements within the perimeters of the Owner's Unit without prior approval of Developer or the Review Committee. A change in the color of a residence or significant landscaping changes are included within the meaning of a change in exterior appearance.

b. Unit Rental. No portion of a Unit may be rented and no transient tenants be accommodated in any building, but this restriction shall not prevent the rental or sublease of an entire Unit together with its appurtenant Limited Common Elements for residential purposes in the manner permitted by these Bylaws.

c. Nuisances. No nuisances shall be permitted on the Property, nor shall any use or practice be permitted that is a source of annoyance to or that unreasonably interferes with the peaceful possession or proper use of the Project by its residents. No Unit shall be used in whole or in part for the storage of rubbish or trash or for the storage of any property or thing that may cause the Unit to appear in an unclean or untidy condition. No substance or material shall be kept on a Unit that will emit foul or obnoxious odors or that will cause excessive noise that will or might disturb the peace, quiet, comfort, or serenity of the occupants of surrounding Units.

d. Prohibited Uses. Nothing shall be done or kept in any Unit or on the Common Elements that will increase the rate of insurance for the Project without the prior written consent of the Association. No Owner shall permit anything to be done or kept in the Owner's Unit or elsewhere on the Common Elements that will result in the cancellation of insurance on any Unit or any part of the Common Elements or that will violate any law.

e. Signs. No signs or other advertising devices (other than one professionally made non-lighted sign or a sign of substantially the same quality and appearance advertising a unit for sale that is not larger than five square feet in size) shall be displayed from any residence or on any Unit that are visible from the exterior of the Unit or from the Common Elements without written permission from the Association or its managing agent, except yard sale signs which may be permitted for no longer than three days. Signs shall be subject to Ocoala Township Ordinances and approval.

f. Personal Property. No Owner shall display, hang, or store any clothing, sheets, blankets, laundry, or other items of personal property outside a residence or ancillary building. This restriction shall not be construed to prohibit a Owner from placing and maintaining outdoor furniture and accoutrements and decorative foliage of a customary nature and appearance on a patio, deck, or balcony of a Unit, though no such furniture or other personal property shall be stored on any open patio, deck, or balcony that is visible from another Unit or from the Common Elements of the Project.

g. Firearms and Weapons. No Owner shall use or permit the use by any occupant, agent, tenant, invitee, guest, or member of the Owner's family of any firearms; air rifles; pellet guns; BB guns; bows and arrows; fireworks; or other dangerous weapons, projectiles, or devices anywhere on or about the Property.

h. Pets and Animals. No animals may be kept on any unit except up to two domestic dogs and/or two domestic cats without the prior written consent of the Association, which, if given, may be revoked at any time by the Association. No exotic, savage, or dangerous animal shall be kept on the Property, and no animal may be kept or bred for commercial purposes. Common household pets permitted under the provisions of this subsection shall be kept only in compliance with the rules and regulations promulgated by the Board of Directors from time to time and must at all times be kept under care and restraint so they are not obnoxious on account of noise, odor, or unsanitary conditions. No animal shall be permitted to run loose on the Common Elements or on any Unit except the Unit owned by the owner of the animal, and the owner of each pet shall be responsible for cleaning up after it.

i. Recreational Vehicles. No recreational vehicles, boats, or trailers shall be parked or stored in any garage if the storage would prevent full closure of the garage door or elsewhere on the Property without the written approval of the Association. No snowmobile, all-terrain vehicle, or other motorized vehicle shall be operated on the Property. No maintenance or repair shall be performed on any boat or recreational vehicle except within a garage or residence where totally isolated from public view.

j. Lawn Care and Landscaping. Each Owner shall mow all grass at least two (2) times each month during the growing season. Each Owner and the Association and their agents and contractors shall only use organic fertilizers such as slow release nitrogen fertilizers in landscaping and maintaining the Common Elements. NON-ORGANIC FERTILIZERS MAY NOT BE USED ANYWHERE IN THE CONDOMINIUM. Owners shall not use or allow to be released outdoors phosphorus producing materials such as paint, paint thinner, soaps, detergents, gasoline, oil and pesticides.

k. Recreational Facilities. No fences, above-ground pools, tennis courts, or dog runs will be permitted on any Unit without Developer/Review Committee Approval. All exterior hot tubs and spas must be approved by the Review Committee before installation.

l. Trash Containers and Pick Up. All trash shall be placed in containers approved by the Review Committee and kept inside the garage or other fully enclosed area except for short periods of time reasonably necessary to permit collection. The Association will contract with one (1) company for trash removal services from Site and the cost thereof shall be assessed to each Co-owner as a cost of administration.

m. Solar Panels and Satellite Dishes. No solar panel may be installed on any Unit until the type, design, and location of the solar panel has been approved in writing by the Review Committee. An Owner may install a satellite dish on the Owner's Unit, subject to reasonable prior approval by the Review Committee for size, location, color, and screening. To the extent required by applicable federal law, the Review Committee's

regulations shall not unreasonably impair an Owner's installation, maintenance, or use of a satellite dish.

n. Hazardous Materials. As used in these Bylaws, the term *Hazardous Materials* means any hazardous or toxic substance, material, or waste that is or becomes regulated by any local government authority, any agency of the State of Michigan, or any agency of the U.S. government. The term Hazardous Materials includes, without limitation, any material or substance that is (i) described as a "hazardous substance" pursuant to section 311 of the Federal Water Pollution Control Act, 33 USC 1317; (ii) defined as "hazardous waste" pursuant to section 1004 of the Federal Resource Conservation and Recovery Act, 42 USC 6901 et seq., 42 USC 6903; (iii) defined as a "hazardous substance" pursuant to section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 USC 9601 et seq., 42 USC 9601; (iv) petroleum and any petroleum byproducts; and (v) asbestos. Owners shall not, nor shall they permit their agents, invitees, contractors or subcontractors (collectively, Owners' Agents), to bring on, keep, store, use, or dispose of any Hazardous Materials on, in, under, or about the Project except ordinary cleaning chemicals and solutions, suitably packaged goods offered for sale at retail, and office supplies used for their intended purpose, none of which may pose any significant threat of contamination of the Project. Each Owner shall cause the presence, use, storage, or disposal of any Hazardous Materials on, in, under, or about the Project by the Owner or the Owner's Agents to be in compliance with all applicable laws, rules, regulations, and orders. Each Owner shall defend, indemnify, protect, and hold harmless the Association from and against all claims, costs, fines, judgments, and liabilities, including attorney fees and costs, arising out of or in connection with the presence, storage, use, or disposal of Hazardous Material in, on, under, or about the Project caused by the acts, omissions, or negligence of the Owner or the Owner's Agents.

o. Use of Common Elements. The General Common Elements shall not be used for the storage of supplies or personal property (except for the short periods of time that are reasonably necessary to permit the placement of trash for collection the next day). No vehicles shall be parked on or along the roadways (except for parties or receptions generating a need for off-site parking), and Owners shall not personally use or obstruct any guest parking areas that are located on the Common Elements of the Project without the prior consent of the Association. Necessary off-site parking shall be restricted to one side of roadways only. No Owner or guest of an Owner shall park in areas designated as a fire lane or no parking lane. No Owner shall in any way restrict access to any utility line or other area that must be accessible to service the Common Elements or that affects an Association responsibility in any way. In general, no activity shall be carried on or condition maintained by any Owner either in the Owner's Unit or on the Common Elements that spoils the appearance of the Condominium.

p. Application of Restrictions. Unless arbitration is elected pursuant to these Bylaws, a dispute or question whether a violation of any specific regulation or restriction in this section has occurred shall be submitted to the Board of Directors of the Association, which shall conduct a hearing and render a decision in writing, which shall be binding on all owners and other parties with an interest in the Project.

8.4 Zoning Compliance. In addition to the restrictions in section 8, the use of any Unit or structure on the Property must satisfy the requirements of the PUD zoning ordinances of the municipality where the Project is located in effect at the time of the contemplated use unless a variance for the use is obtained from a unit of government with jurisdiction over the use of the Unit and Property.

8.5 Rules of Conduct. Additional rules and regulations consistent with the Act, the Master Deed, and these Bylaws concerning the use of Units and Common Elements may be promulgated and amended by the Board. Copies of the rules and regulations must be furnished by the Board to each Owner at least 10 days before their effective date and may be revoked at any time by the affirmative vote of the Board or sixty (60) percent or more of all Owners.

8.6 Enforcement by Developer. The Project shall at all times be maintained in a manner consistent with the highest standards of a private residential community used and occupied for the benefit of the Owners and all other persons interested in the Condominium. If at any time the Association fails or refuses to carry out its obligations to maintain, repair, replace, and landscape in a manner consistent with the maintenance of such standards, Developer, or any person to whom it assigns this right, may, at its option, elect to maintain, repair, or replace any Common Elements or to do any landscaping required by these Bylaws and to charge the cost to the Association as an expense of administration. Developer shall have the right to enforce these Bylaws throughout the Development and Sales Period, and this right of enforcement shall include (without limitation) an action to restrain the Association or any Owner from any prohibited activity.

8.7 Owner Enforcement. An aggrieved Owner will also be entitled to compel enforcement of the Condominium Documents by an action for injunctive relief or damages against the Association, its officers, or another Owner in the Project.

8.8 Remedies on Breach. In addition to the remedies granted by section 5.5 for the collection of assessments, the Association shall have the right, in the event of a violation of the restrictions on use and occupancy imposed by this section 8, to enter the Unit and to remove or correct the cause of the violation. The entry will not constitute a trespass, and the Owner of the Unit will reimburse the Association for all costs of the removal or correction. Failure to enforce any of the restrictions in this section will not constitute a waiver of the right of the Association to enforce restrictions in the future.

8.9 Reserved Rights of Developer. The restrictions in this section shall not apply to the commercial activities of Developer during the Development and Sale Period. Developer shall also have the right, with the approval of Ocala Township Board, to maintain a sales office, advertising display sign, storage areas, and reasonable parking incident to its sales efforts and to reasonable access to, from, and over the Property to enable development and sale of the entire Project.

8.10 Assignment and Succession. Developer may be assigned any of the rights granted to or reserved by it in the Condominium Documents or by law to any other entity or to the Association. Any assignment or transfer shall be made by an appropriate document in writing, signed by Developer and recorded in the register of deeds office for the county

where the Project is located. On qualification, the assignee will have the same rights and powers as those granted to or reserved by Developer in the Condominium Documents.

Section 9. MORTGAGES

9.1 Notice to the Association. Any Owner who mortgages a Unit shall notify the Association of the name and address of the mortgagee (in this section, the Mortgagee), and the Association will maintain this information. The information relating to Mortgagees will be made available to Developer or its successors as needed to obtain consent from or give notice to Mortgagees concerning actions requiring consent from or notice to Mortgagees under the Condominium Documents or the Act.

9.2 Insurance. The Association shall notify each of the Mortgagees of the name of each company insuring the Condominium against fire, perils covered by extended coverage, and vandalism and malicious mischief, with the amounts of the coverage.

9.3 Rights of Mortgagees. Except as otherwise required by applicable law or regulations, a Mortgagee of a Unit will be granted the following rights:

a. **Inspection and Notice.** On written request to the Association, a Mortgagee will be entitled (i) to inspect the books and records relating to the Project on reasonable notice, (ii) to receive a copy of the annual financial statement that is distributed to Owners; (iii) to notice of any default under the Condominium Documents by its mortgagor in the performance of the mortgagor's obligations that is not cured within 30 days; and (iv) to notice of all meetings of the Association and its right to designate a representative to attend the meetings.

b. **Exemption from Restrictions.** A Mortgagee that comes into possession of a Unit pursuant to the remedies provided in the mortgage or by deed (or assignment) in lieu of foreclosure shall be exempt from any option or right of first refusal on the sale or rental of the mortgaged Unit in the Condominium Documents.

9.4 Additional Notification. When notice is to be given to a Mortgagee, the Board of Directors shall also give such notice to the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Veterans Administration, the Federal Housing Administration, the Farmer's Home Administration, the Government National Mortgage Association, and any other public or private secondary mortgage market entity participating in purchasing or guarantying mortgages of Units in the Condominium if the Board of Directors has notice of their participation.

Section 10. LEASES

10.1 Notice of Lease. An Owner, including Developer, who intends to lease a Unit, shall disclose that fact in writing to the Association at least 10 days before presenting a lease form to the prospective tenant and, at the same time, shall supply the Association with a copy of the lease form. No Unit shall be leased for a period of less than 90 days without the prior written consent of the Association.

10.2 Terms of Lease. All occupants of a Unit shall comply with all the conditions of the Condominium Documents of the Project, and all lease and rental agreements must require compliance.

10.3 Remedies of the Association. If the Association determines that any non-Owner occupant has failed to comply with any conditions of the Condominium Documents, the Association may take the following action:

a. **Notice.** The Association shall notify the Owner by certified mail advising of the alleged violation by the non-Owner occupant.

b. **Investigation.** The Owner will have 15 days after receipt of the notice to investigate and correct the alleged breach by the non-Owner occupant or to advise the Association that a violation has not occurred.

c. **Legal Action.** If, after 15 days the Association believes that the alleged breach has not been cured or may be repeated, it may institute an action for eviction against the non-Owner occupant and a simultaneous action for money damages (in the same or in a separate action) against the Owner and the non-Owner occupant for breach of the conditions of the Condominium Documents. The relief provided for in this section may be by summary proceeding. The Association may hold both the non-Owner occupant and the Owner liable for any damages to the Common Elements caused by the Owner or the non-Owner occupant in connection with the Unit or the Project.

10.4 Liability for Assessments. If an Owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a non-Owner occupant occupying the Owner's Unit under a lease or rental agreement and the non-Owner occupant, after receiving such notice, shall deduct from rental payments due the Owner the full arrearage and future assessments as they fall due and pay them to the Association. Such deductions shall not be a breach of the lease agreement by the non-Owner occupant.

Section 11. TRANSFER OF UNITS

11.1 Unrestricted Transfers. An individual Owner may, without restriction under these Bylaws, sell, give, devise, or otherwise transfer the Owner's Unit or any interest in the Unit.

11.2 Notice to Association. Whenever an Owner sells, gives, devises, or otherwise transfers the Owner's Unit or any interest in the Unit, the Owner shall give written notice to the Association within five days after consummating the transfer. The notice shall be accompanied by documents evidencing the title or interest transferred.

Section 12. ARBITRATION

12.1 Submission to Arbitration. Any dispute, claim, or grievance arising out of or relating to the interpretation or application of the Master Deed, Bylaws, or other Condominium Documents and any disputes, claims, or grievances arising among or between Owners or between Owners and the Association may, on the election and written consent of the parties to the dispute, claim, or grievance and written notice to the Association, be submitted to

arbitration; and the parties shall accept the arbitrator's decision and award as final and binding. The Arbitration Rules for the Real Estate Industry of the American Arbitration Association, as amended and in effect from time to time, shall apply to all such arbitrations.

12.2 Disputes Involving Developer. A contract to settle by arbitration may also be executed by Developer and any claimant for any claim against Developer that might be the subject of a civil action, provided as follows:

a. **Buyer's Option.** At the exclusive option of a Buyer or an Owner in the Project, Developer shall execute a contract to settle by arbitration any claim that might be the subject of a civil action against Developer that involves an amount less than \$2,500 and arises out of or relates to a purchase agreement, a Unit, or the Project.

b. **The Association's Option.** At the exclusive option of the Association of Owners, Developer shall execute a contract to settle by arbitration any claim that might be the subject of a civil action against Developer that arises out of or relates to the Common Elements of the Project if the amount of the claim is \$10,000 or less.

12.3 Preservation of Rights. Election by any Owner or by the Association to submit any dispute, claim, or grievance to arbitration shall preclude that party from litigating the dispute, claim, or grievance in the courts. Except as provided in this section, however, all interested parties shall be entitled to petition the courts to resolve any dispute, claim, or grievance in the absence of an election to arbitrate.

Section 13. OTHER PROVISIONS

13.1 Definitions. All terms used in these Bylaws will have the same meaning assigned by the Master Deed to which the Bylaws are attached or as defined in the Act.

13.2 Severability. If any of the terms, provisions, or covenants of these Bylaws or of any Condominium Document are held to be partially or wholly invalid or unenforceable for any reason, that holding shall not affect, alter, modify, or impair any of the other terms, provisions, or covenants of the documents or the remaining portions of any terms, provisions, or covenants held to be partially invalid or unenforceable.

13.3 Notices. Notices provided for in the Act, Master Deed, or Bylaws shall be in writing and shall be addressed to the Association at its registered office in the State of Michigan and to any Owner at the address in the deed of conveyance or at another address subsequently provided. The Association may designate a different address for notices to it by giving written notice of the change of address to all Owners. Any Owner may designate a different address for notices by giving written notice to the Association. Notices addressed as above shall be deemed delivered when mailed by electronic mail, FAX, U.S. mail with postage prepaid or when delivered in person.

13.4 Amendment. These Bylaws may be amended, altered, changed, added to, or repealed only in the manner prescribed by section 10 of the Master Deed.

13.5 Conflicting Provisions. In the event of a conflict between the Act (and other laws of the State of Michigan) and any Condominium Document, the Act (or other laws of the State of Michigan) shall govern. In the event of a conflict between the provisions of any one or more of the Condominium Documents themselves, the following order of priority shall be applied, and the provisions of the document having the highest priority shall govern:

1. the Planned Unit Development Agreement (PUD Agreement)
2. the Master Deed, including the Condominium Subdivision Plan but excluding these Bylaws
3. these Condominium Bylaws
4. the Articles of Incorporation of the Association
5. the Rules and Regulations of the Association
